

**Winders for dry cassettes in use in auto blanket systems. Wind your own and save money!**  
**The Dimple winders are available for presses by all popular manufacturers, like :**  
**Heidelberg, KBA, MAN Roland, Komori, Ryobi, Mitsubishi, Sakurai, Goebel, Adest, Planeta and Wifag,**  
**using Baldwin or Elettra cleaning systems.**

## **DIMPLE'S WINDING DEVICES**

*The Dimple winding devices have been reliable tools, having produced, what must be thousands of cassettes world-wide, for over 10 years!*  
*Winders for popular presses like the Heidelberg Speedmaster Range, 52, 74 and XL, Komori 28 and 40 are available from stock. Winders for all others are available at very acceptable lead times.*

**Manual and automatic versions**  
*If you're looking for the most economical way, choose the manual version. Looking for more comfort in winding your large demand of cassette, take the automatic one.*

**Complete package**  
*Dimple winders provide plug and play comfort. They come complete, with all necessary tools and accessories like: a safety knife-unit, additional spindels (make a stock of cassettes), double-sided tape, spindel storage.*

<b>TECHNICAL DATA:</b>	
<b>Dimensions</b>	<b>(from) 130 (l) x 45 (w) x 105 (h) cms</b>
<b>Voltage:</b>	<b>220 V/ 50 Hz</b>

**Impreg winders**  
*In order to produce your own wet rolls, Dimple offers the impregnating winders. The impreg winders are available by request and are, like the normal winders, supplied in a very complete manner, including washdetergent holder.*
